GROUP 123 PETITION FOR LICENSE FOR FOREIGN FILING

Request is hereby made under Title 35, United States Code, Section 184, for a license to file foreign applications substantially identical with the copy attached hereto, said attachment being a copy of an application being filed simultaneously herewith in the United States Patent and Trademark Office. Such foreign filing is not considered likely to be detrimental to the public safety or defense.

Respectfully submitted,

  
Merle J. Smith  
Attorney
